

Lite disclaimers:

1. Inga placeringar i matchspel i nuläget. Kommer väl så småningom.
2. För åren 2008-2010 då man enbart korade mästare i matchspel är det placering i slagspel/kval som redovisas i dessa listor.
3. Meddela gärna om ni hittar konstigheter :-)

NOTE 1: Mästerskap för Oldtimers

Fram till 1983 var dessa mästerskap integrerade med övriga klasser

Mellan 1984 och 1991 var mästerskapen öppna. I vissa fall representerade man sin klubb, i andra fall står det "Sverige" i resultatlistorna trots att det inte handlade om uttagna spelare.

NOTE 2: Mästerskap för Juniorer

Fram till 1980 var dessa mästerskap integrerade med övriga klasser.

Från 1981 var det separata mästerskap med undantag för 1982 och 1983 då de var integrerade med övriga klasser.
